Extra Edition - October 2026

Special General Meeting Sunday 18 October

Sunday 18 October at 9:30am we will hold a Special General Meeting to review the proposed Objectives to be added to the Club's Constitution. The proposed Objectives are set out in the Notice of Meeting.

The meeting will be followed by the Show & Tell Challenge, a bowl turning demonstration by Ken Cooper, then the sausage sizzle.

Show & Tell Challenge for October - A Pepper Grinder

Following Catherine's demonstration of turning a pepper grinder in September, your Challenge for October is to have a go at turning one.
It doesn't have to be the same shape.
Catherine is more than happy to answer questions when you see her at the Club.

Timberbits have a similar design you might like to follow, or design your own.
If you'd like a refresher, read Catherine's demo write-up in the September newsletter. It's available on our website.

Demonstration on Sunday 18 October will be by Ken Cooper - a bowl

Without a doubt the majority of people who are new to woodturning want to turn a bowl. Ken has taught many newbies at the Timberbits classes, and at SNBW, and will show you the techniques for turning a simple bowl. Once you get the fundamentals you can branch out into different shapes, make them thinner, trial a few different rims and feet/no feet. Come along and learn from the expert and stay and chat with him afterwards over one of Nick's perfectly cooked sausages.

Next Bunnings BBQ is this Saturday 10 Oct.

We could still do with an extra volunteer in the morning and one in the afternoon.

Plus we need more giveaways for the Lucky Dip. Please turn something small this week for some lucky child and Pancreatic Cancer.
